C. Answer the questions.

1. What kind of test was arranged for the princes and why?

Ans. The test was a shooting competition to demonstrate how well the princes could concentrate .

2. Why did Dronacharya not allow the princess to shoot?

Ans. The princess were not allowed to shoot because they were not concentrating hard enough .

3. What pleased Guru Dronacharya about Arjuna?

Ans. Arjuna concentrated on the exact point he was supposed to hit.

Comprehension 2

Answer these questions.

1. Do you think it was easy for the princes? Give reasons for your answer.

Ans. It may have not been easy for the princes to concentrate. They were excited, there was the pressure of Dronacharya testing them, and there were a lot of people present.

2. Why do you think Dronacharya did not allow anyone except Arjuna?

Ans. Only Arjuna concentrated just on the target. Everyone else failed to focus only on the target.

VBQ 3. If you want to be successful, you need to concentrate only on your target. Do you agree with the statement? Give reasons for your answer.

Ans. Yes, I agree with the statement. If we do not focus on our target, we will not put in the effort required, we will not be able to achieve our goals.
